Please read these Terms and Conditions ("Terms", "Terms & Conditions", "T & C's") most carefully before using the <http://www.fedupwithit.co.uk/askluci/> Web Service. Your access and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who access or use the Service and we too are similarly obliged!

**By accessing or using our Service, you agree to be bound by these Terms. If you disagree with any part of the terms, then you may not gain access to the Service.**

### Privacy

We strongly believe in the **confidentiality** of all our users or any other persons that we are in contact with while using any of our services. We fully **respect** the rights of privacy and will not disclose your identity or pass on any information relating to you personally without your express permission, and then only when this is absolutely necessary too!

### No Fees

**askluci** is a **free** service and although we do sometimes welcome a small contribution to help keep this service running, this is neither a necessity nor a pre-condition prior to the receiving of any assistance from us. In the event of having to engage a third party to act on your behalf, as part of a proper consultation or commissioning a project of any kind using our other core services, all parties will be made aware of the respective charges and collective fees and any conditions that may exist!

### Content

Our service allows you to post, link, share and otherwise make available certain information, text, graphics, videos, or other materials. We respectfully ask that you make sure that any supplied information or materials is mindful to both the dignity and the integrity of our users and also conforms to both social convention and societal law.

### Right to Reply

We take care to ensure that any information that is displayed, else otherwise portrayed, on our website is both accurate and precise and will immediately correct or remove any content at the behest of the complaining party and publish a full apology too if required to do so.

### Links To Other Websites

Our Service may at times contain links to third-party websites or services that are not owned or controlled by our own company, therefore we are not responsible for the content found on those other locations. If it becomes known that there is indeed something either unsatisfactory or unsavoury present on a forwarding link, then we will most certainly uphold any complaint and rectify this situation by removing the offending link immediately once notified at our earliest opportunity. You further acknowledge and agree that our company, fedupwithIT, shall not be responsible or liable, directly or indirectly, for any damage or loss caused or alleged to be caused by or in connection with use of or reliance on any such content, goods or services available on or through any such web sites or services.

### Changes

We reserve the right, at our sole discretion, to modify or replace these Terms at any time. If a material change in the form of a revision is imminent, we will try to provide at least 30 days' notice prior to any new terms taking effect unless of course an immediate monumental correction becomes essential, for example a change imposed by a legal authority of some kind. What constitutes a material change will always be determined at our sole discretion.
